DOCKET NO. 2012-372-WS

Petition of Total Environmental Solutions, Inc. for Waiver of 26 S.C. Code Ann. Regs. 103-510 and 103-710

Total Environmental Solutions, Inc. (TESI or the Company) has filed an Application with the Public Service Commission of South Carolina (the Commission) requesting a waiver of 26 S.C. Code Ann. Regs. 103-510 and 103-710 which governs location of records and reports. TESI currently has 596 water customers and 587 sewer customers in Foxwood Hills; these customers would be affected by TESI's instant request. In sum, TESI would like to move the customer service duties being performed by one person in South Carolina to the Company's main office and eliminate only customer service at TESI's Foxwood Hills' location. The Application states that a local operational hub would remain with service techs to perform maintenance, connects, taps, and the occasional disconnect. Further, the Application states that TESI intends to place a notice on its bill for the next three months and on its website announcing the change, explaining how its customers can make payments and giving them new telephone numbers, email addresses and post office boxes.
